

EMILY'S WISH

To be a zookeeper for a day! 2015

Emily is a sweet 9 year old girl who suffers from refractory seizures.

Her most cherished wish was to be a zookeeper for a day. Emily loves animals and is concerned about animal welfare. She did a science project at school about endangered animals. Emily also enjoys riding horses and attends pet care camps.

With the help of Make-Wish Toronto & Central Ontario and the generosity of the Toronto Zoo, Toronto Ritz Carlton, Medieval Times & Ripley's Aquarium, Emily's magical wish came true! Emily and her family spend an amazing 4 days in Toronto where they received VIP treatment.

On her magical day, Emily was picked up by a stretch limo and taken to the Toronto Zoo for a behind the scene tour. While in Toronto, Emily enjoyed a VIP tour of the Ripley's Aquarium, she fed the stingrays and interacted with the sharks. Emily and her family had a behind the scene tour of Odessey and a special Dinner show at Medieval Times. Emily and her family had an absolutely magical time and the family is very grateful!

Special Thank you to

Playing it Forward for Wishes

for their support in adopting Emily's wish!
